

# Virus Catalogue Deposit Information Form

Use this form for depositing virus strains into the National Collection of Pathogenic Viruses (NCPV). Please complete as fully as possible then email to [culturecollections.ncpv@phe.gov.uk](mailto:culturecollections.ncpv@phe.gov.uk) **PRIOR** to sending the virus(es). Please include this Word document and a signed PDF copy.

<b>For Culture Collections use only</b>	
Accession Number(s):	Batch Number(s):

## For completion by Depositor:

### 1. Depositor Information

Institution			
Address			
Depositor full name (including title)			
Email address		Telephone	

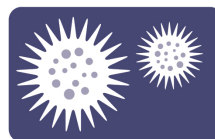

### 2. Virus Identity & Characteristics

Virus name in full			
Strain		Serotype / Subtype	
Ampoule label		Titre (if known)	
Sample type	Viable infected cells <input type="checkbox"/> Cell lysate <input type="checkbox"/> Other ( <i>give details</i> ) <input type="checkbox"/> Purified virus <input type="checkbox"/> Supernatant <input type="checkbox"/>		
Volume per ampoule		Number of ampoules	
Characteristics of note			
Recommended PCR identification method	<i>Please include primers, full cycling conditions &amp; expected result</i> See reference <input type="checkbox"/> See attached <input type="checkbox"/> Not available <input type="checkbox"/> below:		

### 3. Origin & History since Isolation

Where did you obtain the virus from?	Isolated in my laboratory <input type="checkbox"/> Unknown <input type="checkbox"/> From another laboratory ( <i>give details</i> ) <input type="checkbox"/>
Original isolation information	<i>E.g. Date isolated, cell type, incubation time, CPE observations, investigator and institution</i>

NCPVW14.04-18 Authorised by: Karen Buttigieg Effective Date: 10.01.2018

Original clinical sample information	<i>E.g. Date collected, location, sample type, patient gender, age, clinical details, travel history</i>
How is this sample related to the original isolate?	<i>Include passage history, if known</i>

#### 4. Recommended Culture Conditions

Cell type(s) & confluency at infection	
Culture medium, any special growth requirements	
Infection conditions	<i>E.g. MOI, incubation temperature</i>
Incubation time to harvest	Typical CPE observed
Harvest method	
Long-term storage conditions	

#### 5. Reference & Declaration

Reference for citation of the virus	
Any additional conditions of supply?	No <input type="checkbox"/> Yes <input type="checkbox"/> ( <i>please attach</i> )
<b>Declaration: I understand that cultures of the deposited virus will be listed online, marketed and distributed by NCPV for research use only under UK Health Security Agency Terms and Conditions of Supply (<a href="http://www.phe-culturecollections.org.uk/orderinginfo/terms">www.phe-culturecollections.org.uk/orderinginfo/terms</a>).</b>
